in 2004 julie rowe was a happy wife and mother then her health took a turn for the worse while in a weakened state her spirit left her body and entered the spirit world an ancestor named john greeted her and showed her many wonderful places there he also allowed her to read from the book of life which showed her a panorama of the earth s past present and future

in 2004 julie rowe was a happy wife and mother then her health took a turn for the worse while in a weakened state her spirit left her body and entered the spirit world an ancestor named john greeted her and showed her many wonderful places there he also allowed her to read from the book of life which showed her a panorama

of the earth's past present and future julie saw the lives of many historical figures such as adam and eve enoch noah and moses she witnessed the savior's mortal life including his crucifixion and resurrection she also saw the restoration of the church of jesus christ through the prophet joseph smith and key events that have led to the church's growth then julie was shown upcoming world events that will be both tragic and glorious she saw earthquakes tsunamis famines plagues and wars but she also witnessed how the lord is watching over his people and is preparing places of refuge to protect them from the coming calamities julie was filled with joy as she saw the saints establish the new jerusalem and other cities of light in preparation for the savior's second coming prior to her return she was told that at a future time she would be expected to tell others about her experience that time has come

terrible revolution is the history of apocalyptic visions in the mormon experience christopher james blythe follows how last days beliefs informed the church of jesus christ of latter day saints relationship with the united states and how the role of lay visionaries in the tradition changed blythe's work draws on hundreds of little known archival sources to capture for the first time in scholarship the 200 year history of mormon apocalypticism

in this gripping work of true crime a criminal lawyer takes readers inside the notorious lori vallow case and the devastating doomsday murders a blonde beauty queen missing children six suspicious deaths and the twisted mormon doomsday writings of her fifth husband are only the beginning of a tragic crime saga that gripped americans and instigated frantic searches all over the country it all started when lori vallow met chad daybell at a doomsday prepper event their story grew like a wildfire that creates its own weather and what happened next will shock even the most experienced true crime reader clinging to and manipulating one another lori vallow and chad daybell believed the return of jesus christ was imminent and that god had chosen them to lead the 144 000 and usher in the new millennium when the people closest to them began dying it became clear they would stop at nothing to be together and fulfill their mission when the bodies of lori's missing children j j and tylee were discovered in chad's backyard the strange and complex story of their fundamentalist mormon beliefs were revealed in all their true horror author lori hellis a retired criminal lawyer had just moved to arizona when news of j j and tylee's disappearance broke and there were reports about

these missing children that linked them to a neighboring community she began to follow the case closely trying to understand this perfect storm of people and circumstances that culminated in the death of innocents in children of darkness and light hellis digs deep into the investigation trial and verdict to craft a haunting narrative that illuminates one of the most confounding crimes in recent memory

in 1971 the united states had no diplomatic relations or established route of communications with china despite that in a stunning act of diplomacy president richard nixon announced that he would travel to china to meet with its leaders ron walker director of the white house advance office was chosen to make it all happen this is the story of walker and his team china calls is based on the actual transcripts of telephone calls between the advance team in peking and the white house in washington much is known about nixon s actual visit but the story of how it all came together has never been told until china calls this 40th anniversary edition has an updated epilogue and additional photos

when the moon turns to blood examines the culture of end times paranoia and a trail of mysterious deaths surrounding former beauty queen lori vallow and her husband grave digger turned doomsday novelist chad daybell when police in rexburg idaho perform a wellness check on seven j j vallow and his sister sixteen year old tylee ryan both children are nowhere to be found their mother lori vallow gives a phony explanation and when officers return the following day with a search warrant she too is gone as the police begin to close in a larger web of mystery murder fanaticism and deceit begins to unravel vallow s case is sinuously complex as investigators prod further they find the accused black widow has an unusual number of bodies piling up around her when the moon turns to blood tells a gripping story of extreme beliefs snake oil prophets and explores the question if it feels like the world is ending how are people supposed to act

in 2014 julie rowe published a book entitled a greater tomorrow in which she shared near death experiences and subsequent dreams and visions where she was shown many of the destructions to precede the second coming of the savior in the years that have followed she has continued to lift a warning voice publishing two other books speaking at conventions and on radio programs and publishing podcasts she is even soon to release a video documentary meant to help her message get to a new audience her story has sent ripples

through the LDS community and has caused many to question whether or not she is a true messenger some have even challenged her right to share such a message at all this book examines the doctrinal case for messengers such as Julie Rowe providing clarity not only on why such individuals can arise in a society ripening for destruction but why they absolutely must exist

Julie Rowe first gained national attention in 2014 with the publication of her books *A Greater Tomorrow* and *The Time Is Now* in those books she told of her near death experience when she was taken to the spirit world and was shown future world events Julie also appeared on several radio talk shows to spread her message of the need to prepare for troubled times the social media firestorm that followed was very intense as supporters defended her and naysayers ridiculed her through it all Julie stood by her story now Julie is ready to share more about her life in this book she explains that she has been a visionary person since childhood she has also been through many trials that have shaped who she is and why she knows her message is inspired from heaven Julie Rowe received her Bachelor of Science degree from Brigham Young University in 1999 and her teaching certificate from the University of Saint Mary in 2010 she and her husband Jeff have three children and live in the

Julie Rowe's first book *A Greater Tomorrow* told of her near death experience in 2004 during her visit to the spirit world she was shown a panorama of the earth's history and future in this new volume Julie focuses on giving additional details about the future events she was shown and how we can best prepare for them

leaving her home family job friends and a fiancée she joined the Women's Auxiliary Army Corps in World War II this is her story in her words
